## VACANCY ON LYNDON TOWNSHIP BROADBAND OVERSIGHT COMMITTEE

Lyndon Township is seeking a township resident to serve on the Lyndon Township Broadband Oversight Committee. The oversight committee plays a crucial role in ensuring that broadband services are accessible, affordable, and reliable for all residents.

Key responsibilities of the committee include Financial, Monitoring and Policy issues that support the successful operation of the Lyndon Broadband service. These duties are best suited for someone comfortable working on a multi-faceted project that requires substantial attention to detail.

This is a 3 year term with regular committee meetings on a monthly basis and may require some additional committee work.

Desired qualifications: Some Knowledge of Broadband networks, community engagement and public communication skills, planning/organizing skills, concern for health, wellbeing and safety of township residents.
