The remaining 1.1437 mills are only available to be levied to restore millage lost as a result of the reduction required by the Michigan Constitution of 1963 and will only be levied to the extent necessary to restore that reduction.

Chelsea School District: Sinking Fund Millage Proposal: This proposal will allow the school district to replace the building and site sinking fund millage previously approved by the electors.

Washtenaw Community College: Operating Millage Renewal Proposal: This proposal will permit the College to continue to levy up to 0.85 mill that was previously approved by the electors to fund operation

for 10 years. Of the 0.85 mill, 0.8109 mill represents a renewal of the 0.85 mill authorization approved by the electors in 2016, which will expire with the 2026 tax levy and 0.0391 mill represents a restoration of that portion of the same millage authority which was reduced by application of the Headlee Amendment.
